

For the first time since 1986 Croatia SC Vancouver has won the BC Provincial Championships and once again put the name 'Croatia SC Vancouver' at the top of soccer in BC. As BC Champions it is our right to represent BC at the Canadian National Championships in Vaughan, Ontario in October of 2014.

# BUSINESS OPPORTUNITIES

2014 is a special year for Croatia SC. This year we are strengthening our offer of opportunities for businesses to put their name next to the historic and winning name CROATIA SC Vancouver. Choose one, two or all of the opportunities below to distinguish your business among our community.

	<h2>SOUVENIR BOOK</h2> <p>To commemorate this event in our clubs storied history we are crafting a souvenir book. The book will contain photos, essays, and letters from dignitaries such as the Premier of BC and the Mayor of Vancouver. We are offering whole-page only space for businesses to include advertisements. And, for only one business, we will publish a letter from President of the business along with the other dignitaries, and branding on the front cover of the book.</p>
	<h2>UNIFORMS / TEAM GEAR</h2> <p>Croatia SC has not offered game day shirt sponsorships until recent history. This opportunity is highly exclusive and will be reserved for the club's closest business partnership. Shirt sponsorships are available for both red and white jerseys. Smaller name plates are available for track suits and training shirts.</p>
	<h2>GOLF TOURNAMENT</h2> <p>This popular annual event is on it's 15<sup>th</sup> anniversary. The event involves 80 golfers for a tournament at Green Acres, followed by the fabled after-party. Available sponsorships are Title Sponsor (includes golf for a foursome), Exclusive Tee Box sponsor, Exclusive Hole sponsor, and Community Hole Sponsors.</p>
	<h2>GAME DAY EVENT SIGNAGE</h2> <p>NEW in 2014! We will be placing 'sandwich boards' around the field with sponsors names during our home games. These professionally crafted signs will look great in game photos that we publish on our social media platform.</p>
	<h2>SOCIAL MEDIA PARTNERSHIP</h2> <p>During our Cup run our posts on Facebook reached 4,000 unique people in 3 days in Greater Vancouver who are our friends, or friends of friends. With a social media partnership we can strategically place your business within our posts to boost your online presence.</p>
