Scholarship and Bursary Information and Requirements

The Croatian-Canadian Scholarship Fund is a joint program developed and administered by the Croatian-Canadian Library and the Canadian-Croatian Chamber of Commerce.

The program offers the following annual awards:

1. \$2,000 Scholarship

One (1) scholarship in the amount of \$2,000 will be awarded to a student enrolled (officially registered as a student and currently attending classes) in a full-time post-secondary program at a university or college in Canada. The scholarship is awarded on the basis of academic merit and previously demonstrated capacity for successful completion of a program of studies as well as a capacity for high achievement. This will be established through the applicant's school transcript, a letter of reference/recommendation from the applicant's teacher or school counselor, and a personal letter from the applicant.

2. \$1,500 Bursary

Two (2) bursaries in the amount of \$1,500 will be awarded to a student enrolled (officially registered as a student and currently attending classes) in a full-time post-secondary program at a university or college in Canada. The bursary is awarded on the basis of academic merit, financial need, and previously demonstrated capacity for successful completion of a program of studies as well as a capacity for high achievement. This will be established through the applicant's school transcript, a letter of reference/recommendation from the applicant's teacher or school counselor, and a personal letter from the applicant.

Scholarships and bursaries are normally provided for a term of one year or less. Applicants may re-apply for a scholarship or bursary; however, preference will be given to students in post-secondary schooling who have not previously received such an award.

Applicants will be evaluated on (1) scholastic achievement, (2) financial need (as it relates to bursaries), (3) leadership role, (4) faculty recommendation/character reference, and (5) positive contributions to their community based on their extracurricular activities and/or volunteer/charitable efforts.
