In2ition Scholarship Award

Information and Requirements

The **In2ition Scholarship Award** is managed by the Croatian-Canadian Scholarship Fund, which is a joint program developed and administered by the Croatian-Canadian Library and the Canadian-Croatian Chamber of Commerce.

The **In2ition Scholarship Award** offers the following:

One (1) scholarship in an aggregate amount of \$40,000.00 CAD will be awarded to a high school student enrolled as a full-time undergraduate student at a university in Canada (subject to presentation of proof of enrollment). The scholarship is awarded primarily on the basis of financial need, academic merit/scholastic achievement, and previously demonstrated capacity for successful completion of studies as well as a capacity for high achievement. This will be established through the applicant's school transcript, one or more letters of reference/recommendation from the applicant's teacher(s) or school counselor(s), and a personal letter from the applicant.

Applicants will be evaluated on (1) financial need, (2) academic merit/scholastic achievement, (3) leadership role, (4) recommendation/character reference(s), and (5) positive contributions to their community based on their extracurricular activities and/or volunteer/charitable efforts.

The aggregate amount of \$40,000.00 CAD will be payable over four (4) years by way of annual installments of \$10,000.00 CAD per year* as follows:

- tuition: the amount of the annual tuition cost, up to a maximum of \$10,000.00 CAD per year, will be paid directly to the academic institution
- other expenses: if the amount of the annual tuition cost is less than \$10,000.00 CAD, the balance of the amount will be made payable to the recipient for purposes of financing education related expenses

NOTE: * The Croatian-Canadian Scholarship Fund manages this award on behalf of In2ition Realty and will disburse an annual amount of \$10,000.00 CAD (as described above) contingent on receiving the monies from In2ition Realty.

In order for the recipient to continue to be eligible to receive the annual maximum amount of \$10,000.00 CAD, the recipient will be expected to annually provide: (a) proof of his/her continued enrollment issued by the applicable academic institution; and (b) a copy of his/her university transcripts (as requested) evidencing that the recipient has maintained an overall average of 80% (or greater) per year.
